I know that God, my God
God is good
God my God, God is good
You know that he
Brought me out of darkness
God is good
You know that he saved my soul
God is good
Said he saved my soul

I said that he saved my soul
And then he
Brought me out of darkness
God is good

You know that he guides
My every footsteps

Said he guides my every footsteps
God is good
You know he guides my every footstep
Then he saved my soul
Then he brought me out of darkness
God is good

Then he put shoes on my feet
God is good
Said he put shoes on my feet
God is good
You know he put shoes on my feet
So he could guide my every footsteps
Jesus saved my soul
And then he brought me out of darkness

God is good

Then he put food on my table

Then he put food on my table
And he put shoes on my feet
So he could guide my every footsteps
Jesus saved my soul
